# Experience

# Supply Chain Analyst, Walmart eCommerce

(June 2019 - present) Hoboken, NJ

- Automated analytics to complete weekly tasks and maximize productivity.
- Sustained consistently strong inventory levels for the most profitable division of Walmart exceeding set goals by uppermanagement and resulting in additional sales for the business.
- Optimized ordering system for 200+ Walmart buyers
- Developed reporting scripts to communicate with 150+ external business partners resulting in increased vendor fill rates and improved division KPIs.
- Utillized Python to maintain company databases and provide weekly datasets to expand supply chain analytics

# Supply Chain Intern, Jet.com / Walmart eCommerce

(May 2018 - August 2018) Hoboken, NJ
